

TRANSACT®

POWERED BY ETA

TUE APRIL 17 • THUR APRIL 19 • 2018

LAS VEGAS • MANDALAY BAY

NEW IN 2018!

Thank you to all of our exhibitors that took the time to fill out the TRANSACT 2017 survey. We value your feedback and as always take your recommendations seriously. In 2018, we'll be making several changes to ensure we continue to deliver the valuable experience you expect from TRANSACT, the #1 show for getting business done in payments!

MORE PASSES FOR EXHIBITORS

We're pleased to offer our exhibitors more registrations included per booth. Please review the new registration allotment below.

SIZE	REGISTRATION	SIZE	REGISTRATION
KIOSK	2	10x30	6
10x10	4	20x20	7
10x20	5	20x30	8

BETTER RATES FOR ATTENDEES

In 2018, we'll institute a \$450 member/non-member registration rate for non-exhibiting small business attendees. This rate will be available for all small businesses, ISVs, Agents, ISOs that qualify.

FREE PASSES FOR FIRST-TIME ATTENDEES

We'll continue to utilize our Exhibitor Invites program. More than 20 exhibitors used the program last year to provide over 200 FREE passes to partners/clients that have never attended TRANSACT in the past. If you have questions about the program, please contact Exhibitor Invites at services@exhibitorinvites.com. To get started, go to exhibitorinvites.com/transact18.

KEYNOTES ON THE SHOW FLOOR

We'll be updating the look, feel and delivery of our keynotes in 2018. Less formal and more engaging than a traditional keynote setup, we'll be reconfiguring the show floor to accommodate 'ted-talk' style keynotes. The keynote stage on the show floor will include traditional theater seating as well as a variety of seating options, including standing bistro tables in overflow sections. With keynotes taking place on the show floor in 2018 attendees will go directly from the main stage to your booth!

TRANSACT MEETING HUB

The TRANSACT Meeting Hub is a hard-walled meeting room area built and located on the show floor. Amenities are dependent upon the size of the room and include: locking door, table, chairs, wastebasket, electrical circuit, and carpet. The meeting hub will be the nexus of engagement for attendees looking to schedule and meet with your company in a private space. Be sure to reserve your meeting space in 'the hub' today.
